

great**tone**is ELEMENTAL

Solid cedar or spruce top, scallop bracing, rosewood, sapele, ebony ... the revered elements of premium acoustic guitars are well known. And for the first time ever, Mitchell makes them sing at a price you never dreamed. The new Element Series Acoustic Guitars come in dreadnought or auditorium style, with optional built-in Fishman electronics and cutaway versions. Play one today and get into your Element. Starting at only \$299.

The **NEW** Element Series available exclusively at these preferred retailers
