

TALL, DARK & HANDSOME

T333E-BST Auditorium Acoustic/Electric

This beautiful auditorium style acoustic-electric guitar features a solid mahogany top and an understated dark burst finish. Built-in Fishman Presys electronics add to the versatility of this modern guitar with vintage appeal.

T331 Dreadnought Acoustic

This traditional instrument benefits from a dreadnought design and a solid mahogany top. Mahogany back and sides ensure a warm, rich sound, while the open pore satin finish and forward-shifted X-bracing provide luxurious resonance.

T333CE-BST Auditorium Acoustic/Electric

Enjoy full access to the upper frets on this cutaway auditorium style guitar with solid mahogany top and a dark burst finish. Fishman Presys electrics and a host of other modern design elements make this a great guitar for a variety of players.
